

FORESTS FOREVER

Ecology Camp

April 6-9th, 2012

Spend Easter in the heart
of East Gippsland's Forests

EXPLORE rivers, old
growth & rainforests

* **DISCOVER** how
forests are vital for
climate calming

* **TOUR** with expert
biologists

* **LEARN** wildlife
survey techniques

* **BE INSPIRED** to help
save these forests.

**Camp with like
minded people by the
Brodribb River, and
take a range of guided
walks and drive tours to
stunning, ancient
forests, alpine wetlands
and rainforests.**

**Biologists and experts
will lead walks, spotlight
for nocturnal wildlife,
talk about forest
ecology and climate
change, endangered
species surveys and the
current legal battles with
the Baillieu government.**

Facebook - 'Forests Forever Ecology Camp 2012'
Book early—numbers are limited.

This year -
a Forest Photography
Workshop.

Learn the art of capturing
beautiful nature shots in
the difficult lighting of
forests. Expert tuition.

Forests Forever Easter Ecology Camp

East Gippsland supports the most diverse temperate forest area on Earth. It also has some of the most carbon-rich and ancient forests on the planet. They are also home to our rare wildlife.

Select your daily activities from a range of guided drives and walks. Or take an organic farm tour. In the evenings enjoy some wholesome soups for hungry walkers, spotlight for nightlife or take part in some evening botanical entertainment. Learn how to save the forests from your own home, and more.

Bring camping gear, friends, food and transport. Fill your fuel tank at Orbost. (no petrol or shops near Goongerah), but please - no four-legged friends.

The camping area has toilets. We provide: tour guides, firewood, 12v solar power, information tent, marquee and organic fruit.

Organised by
Environment East Gippsland
(in conjunction with The Wilderness Society)

Costs

\$60 for adults (\$40 concession) or \$20 a day (\$15 conc.) Teenagers half price. Under 12s free.
Forest Photography Workshop - \$40

**All proceeds go to the campaign
to save these forests**
