PUBLIC INFORMATION EVENING: TATHRA HALL

Monday, 8th MARCH 2010
7.30 – 9.00 pm

LOGGING - COMING TO A FOREST NEAR YOU!

To present information to the community regarding imminent logging in Tathra, Tanja, Mumbulla, Murrah & Bermagui Forests & its threat to koalas.

- Guest speaker will be Deborah Tabart AO, CEO of the Australian Koala Foundation. Today she is known internationally as the “koala woman”, a title reflective of the years she has dedicated to environmental campaigning and in particular as an advocate for the koala.
- Local conservationists will also share their experiences and knowledge of our forests.

This event is being presented by member groups of the
South East Region Conservation Alliance Inc
